Hardcast/Carlisle HVAC Rolled Sealants

Due to low demand from CCW customers, these items are longer being offered through CWT's commercial building envelope business. However, they will continue to be offered through CWT's Hardcast/HVAC business unit.

Accessories for EPDM Flashings

CWT will continue to offer Pre-Kleened EPDM TWF, SURE-SEAL P/S Elastoform and Sure-SEAL Clean-Cured EPDM Cover Strip as flashings in AVB and waterproofing applications. The accessories for these flashings have been simplified, as explained below. The discontinued EPDM accessory items are no longer offered by CWT, but remain available through the Carlisle roofing business.
